SCALEO® H

Outstanding by design, impressive by performance

Issue July 2006

Pages 2

The SCALEO H is the ideal home and office PC for families. Boasting a new compact and funky design, the SCALEO H strikes the perfect balance between advanced multimedia, style and affordability. Featuring great digital connectivity - including FireWire and WLAN - the SCALEO H also offers all the power and performance you need for editing digital photos and movies, fast Internet and home office applications.

Reliability

- Use the profits from the experience as leading European consumer brand
- Profit by the strong cooperation with leading edge technology suppliers for latest technologies
- Utilize fast and reliable delivery and best support

Tailor made

- We are able to be proactive on different customer requirements offering different logistic models
- You can even integrate two hard drives despite its small size.
- Great variety of technology platforms

Connectivity

- Several interfaces at the front side ensure a practical and convenient operation
- Easy connectivity through modem, LAN and WLAN

Flexibility

- Stylish new created design in silver with blue LED lights makes this SCALEO H to an pleasant part in your home.
- SCALEO H fits to all your and your family needs, gaming by the children as well as office applications.
